TIME SQUARE

A large, modern swimming pool with a glass and steel building in the background. The pool is filled with clear blue water, and the building has a distinctive arched, glass-enclosed structure. In the foreground, there is a wicker lounge chair with white cushions. The scene is set outdoors, likely on a rooftop or terrace, with a clear blue sky and some clouds in the distance.

WHERE DREAMS COME ALIVE

Sun International prides itself on being Africa's largest tourism, leisure and gaming group. Operating resorts, luxury hotels and casinos in South Africa and Nigeria, and online sport betting platform, SunBet, the group is well equipped to offer guests a world of exhilarating experiences.

Creating lasting memories for guests and customers is a core part of the brand. From soaking up some sun to fine dining, gripping game-plays and convenient conferencing, Sun International has the best services and facilities to turn each guest's desires into a memorable reality.

Time Square is a technologically advanced precinct, home to one of the continent's biggest casinos, featuring exceptional culinary firsts and a deluxe business hotel, The Maslow.

At Time Square, the luxury is in the detail. From the moment you walk in, you are instantly captured by the essence of time. It is a place that focuses on the present, allowing you to lose track of time and encourages you to fully live in the now.

For a trip down memory lane, venture outside to the Time Plaza, the link between the Sun Arena, the casino and the hotel. This is where you'll be struck by the radiance of a beautiful bold star that makes a bold statement: the Sun Star.

After 20 years of democracy, the Sun Star stands as a reminder of South Africa's greatest story and a shining symbol of hope for the future.

"Time is the highest-priced commodity and equal amongst all men. What you do with it is the difference."
- Jörg Pfützner
